

## Equipment Needs

Anesthesia machines	Nerve stimulators
Autoclave/Sterilizers	Ophthalmoscopes
Cast Saws	Ophthalmic equipment
Centrifuges	OR lights
Defibrillator/Monitors	Otoscopes
Dermatomes	Oxygen concentrators
Diagnostic Ultrasounds with probe	Patient warmers
EKG recorders	Portable X-ray systems
Exam lights	Pulse ox meters
Fetal Dopplers	Sphygmomanometers
Fetal monitors	Stethoscopes
Humidifiers	Suction pumps
Infant warmers	Surgical head lights
Infant incubators	Syringe pumps
Lab equipment and analyzers <ul style="list-style-type: none"><li>- lab incubators</li><li>- shakers</li><li>- lab washers</li><li>- lab digital precision scales</li><li>- coagulations analyzers</li><li>- humidifier chambers</li><li>- blood gas analyzers</li><li>- chemistry analyzers</li><li>- CD-4 counter</li></ul>	Tables - exam <ul style="list-style-type: none"><li>- OR</li><li>- Surgical</li><li>- Delivery</li></ul>
Laryngoscopes	Thermometers (digital)
Microscopes (binoculars)	Traction units
Medical refrigerators	Ultrasound machines
Microscopes- surgical and lab	Vaporizers
Nebulizers	Ventilators
	Vital signs monitors
	Weighing scales <ul style="list-style-type: none"><li>- adult</li><li>- infants</li></ul>
	X-ray processors/ developers
	X-ray view boxes
