

**Days for Girls International  
T&T Liner Pattern  
for Regular Liner**

(do not use this pattern for postpartum liners)

Pattern size when two halves are  
taped together:  
Pattern Height – 9 inches (23cm)  
Pattern Width – 8.25 inches (21cm)

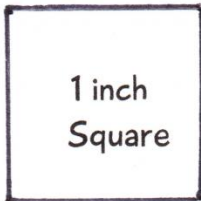

Seam allowance: one-quarter inch

After sewing, the finished size of  
the Liner is:

Height – 8.5 inches (21.5cm)  
Width – 7.75 inches (19.7cm)

To tri-fold, fold finished  
liner along dotted lines

Rev 11.25.2013

Tape two pieces together along dashed lines

This shape is one-half of the  
pattern.

Print this page twice,  
cut out each half,  
tape the pieces together  
along the dashed line  
to make the full-size pattern.  
After printing and taping,  
measure the pattern and the  
'one-inch' square to verify it is  
the correct size.
