**APRIL 15, 2026 - MAY 31, 2026**

**AFCA'S MISSION**

The American Foundation for Children with AIDS (AFCA) is a non-profit organization providing critical comprehensive services to infected and affected HIV+ children and their caregivers. Our programs are efficient, promoting self-reliance and sustainability. Since 2005, in collaboration with our in-country partners, we have served tens of thousands of families in some of the most underserved and marginalized communities in Africa. Our areas of impact include: medical support, livelihoods, educational support and emergency relief.

AFCA is transforming lives in Kenya, Uganda, Zimbabwe, Malawi, and the Democratic Republic of Congo.

# 30000 MILES

## About the event

**REGISTRATION:  
APRIL 1**

Walk/run/ride through Africa virtually! The goal is for participants to walk a collective 30,090 miles, either by simply going about their daily routine or by choosing to walk/run/cycle for a specific time period to help AFCA reach its goal of raising \$15,000. Virtually, you will make your way through all of Africa's capital cities while learning a bit about each country where you leave your footprints.

**RACE FROM  
APRIL 15 -  
MAY 30, 2026**

From April 15 – May 30, 2026, all miles walked, run or cycled by participants will be recorded onto a map that will take participants through each capital city on the continent of Africa, starting in Capetown, South Africa. Participants will be able to see how they or their team is doing as we make our way (virtually) through the continent.

Follow along with us on Facebook as we track the cities and countries that we explore on this virtual race. Learn fun facts about each country we "visit" and even learn how to make some local dishes, as recipes will also be shared.

**IMPACT  
SNAPSHOT**

1
